***"Linda Lanier Proudly Stands Behind The Thin Blue Line"***

Linda is now taking a stand with the war on cops across the country. She has had and still has family in blue. Her Mother was a police woman at the prison camp in Utah, her Nephew is a retired Lieutenant in the Los Angeles County Sheriff's Department. Linda's son Cody, is a police officer in Colorado. Cody was one of the first responders to answer the call that came in at 12:39 a.m. on July 20, 2012, when a shooter opened fire at the Century 16 Movie Theater; killing 12 and injuring 70. You will never understand the sacrifice they make when they go on duty, unless you are one of them.

It is now more important than ever to support our law enforcement, and all brave service men and women because All Lives Matter!!! Together it's time to protect those that protect us, Linda's new cry is to bring an awareness that America is desperate to hear!!

Like one of Linda's latest songs says:  
***"We Need God In America Again!"***
